for various reasons. Of these 560 are from Bangalore District alone. The District
Magistrate, Bangalore District reported that 276 licenses possessed no weapons and
130 were residing in Civil and Military Station area and as such they were not
present while taking the census of fire arms. The licenses of the remaining 154
were cancelled. The other District Magistrates have reported that action will be
taken against absentees under Section 27 of the Mysore Arms Regulation.

The delay in the submission of the report is due to the non-receipt of

returns

returns and information from the Districts in time.

I have the honor to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.
